
Every kid knows when it comes to having fun, more is definitely better. After all, fun is what RVing is really all about. Having more room in the refrigerator means being able to put more good stuff in it. That's fun, too.

A New Dimensions side-by-side refrigerator gives you loads of storage without cramping your living space. And that's smart. Just ask any kid.

NEW DIMENSIONS™

S Series available in gray and

DOMETIC IS TAKING RV REFRIGERATORS TO NEW DIMENSIONS - AND A NEW LOOK!

By using advanced insulation technology, the New Dimensions line provides 25% more capacity with the same outside dimensions as comparable models — with more convenience features and storage flexibility.

- *2-way power with automatic electronic LP ignition*
- *Eye-level automatic/manual electronic controls*
- *Dometic's proven, reliable absorption cooling unit*
- *Climate control system saves energy, prevents condensation*
- *Rugged steel frame assures strength and durability*
- *High efficiency insulation uses no CFCs or HCFCs.*
- *Modern integrated exterior profile; doors open 180°*
- *Residential style door handles operate easily, lock automatically*
- *Bright white, easy-to-clean interior; lighted fresh food compartment*
- *Versatile shelving and removable door bins allow maximum storage flexibility*
- *Adjustable Shelf Guards™ and Magic Fingers™ in door shelves hold items secure*
- *Meat locker, crispers, dairy and egg compartments*
- *Available ice maker (-IMH models)*
- *Optional door insert panels available*

The S Series
Stainless Steel Refrigerators

All of the above, plus—

- *Full wrap stainless steel door in gray or black — no insert panels needed!*
- *Smudge-proof finish prevents finger prints*
- *Large residential style handles*

PRODUCT SPECIFICATIONS

Dometic®

New Dimensions™

Dometic brought the luxury of side-by-side refrigerators to RVs, and our Model NDR1492 is the world's largest. The S Series™ features an elegant, smudge proof stainless steel exterior. All models are available with ice maker.

Dometic®

New Dimensions
By using advanced insulation technology, the New Dimensions line provides 25% more capacity with the same outside dimensions as comparable models. More features and storage flexibility, too.

Royale
All Royale models have automatic/manual electronic controls that select the best available power— or let you decide. A truly impressive array of standard features and available options.

Americana
Single-door models with 3-way power and double-door 2-way models deliver Dometic's superior quality to even the most cost-conscious customers.

Classic
With a long list of features RVers want most, the Classic is designed to install in most existing refrigerator openings. Available in two popular sizes.
